Incentive Letter - 1/28/13

Dear NetSense Participant,

We want to thank those of you who took the time to complete these surveys by giving you a \$5 Amazon gift certificate. This is not very much, but we really do appreciate the time you spent completing the surveys over the last year and half. We will be contacting you via email in the next couple weeks with the code that you can use to redeem the \$5.

For those of you who have not completed the two surveys, if you do so in the next week (by Monday February 4th at 5 pm) we will also send you a \$5 Amazon gift certificate.

After the current surveys, there will only be one more set of surveys at the end of this semester.

We would like to thank you again for helping us obtain the data that we need to study how social networks evolve and the effects of networks on attitudes, tastes and behaviors.

Professor David Hachen

on behalf of the NetSense Project Team
