

Table of contents

Dear NetSense participants,

We want to thank everyone for their cooperation to date with the NetSense Study. Thank you for completing the first surveys in both the Fall and the Winter. We will shortly be releasing another round of surveys. As you will recall from the consent (or assent) form that you signed, you are required to complete these surveys in a timely manner. Because the information that you provide from these surveys is essential to our research, we need to have 100% compliance. Failure to complete the surveys will necessitate that you withdraw from the NetSense study and the free smartphone plan that you currently have will be terminated.

As you already know, there are two surveys that you need to complete each time, a demographic and attitude surveys, and a social network survey. We recommend that you set aside each time 1 hour for each survey (for a total of 2 hours).

Here is the current schedule for the remaining surveys:

- Summer 2014 (which you will receive shortly)
- beginning Fall semester 2014
- beginning Spring semester 2015
- Final Survey after Spring semester break in 2015

Again we appreciate your cooperation with this important research. If you have any questions or need additional information please do not hesitate to contact us at netsense@nd.edu

Sincerely,

The NetSense Project Team
