Draft - Recommendation Letter of joining NetSense study.

Dear NetSense Participant,

With this email we are launching our initiative to recruit additional participants into the NetSense Study. Please nominate ***up to three*** of your friends to join the study. Nominated students must be currently enrolled at Notre Dame as either freshmen, sophomores or juniors. We would like you to nominate people with whom you ***interact a good deal***. You should contact the people that you are thinking of nominating to be sure that they would be willing to join the NetSense study.

All new NetSense participants will receive the same benefits that you are receiving: a new 4G capable smartphone (the Samsung Galaxy S3 @ \$100, the Samsung Galaxy S4 @ \$200, or the HTC One @ \$200), a free voice/data/text plan that will last through May 2015, and a good insurance plan. New invitees will also be able to port their current phone number from outside of Sprint and will not need to change their phone number (however they will be responsible for any Early Termination Fees charged by their current provider). Like with you, participants will have to purchase the phone through Sprint, but if your friends have financial need, they can request a free or subsidized phone. New participants will also have to sign a consent form, and if under 18 have their parents sign a consent form.

We are opening this up on a first come first basis. We have slots for at least 70 new participants. We will add people starting next week. You can nominate up to 3 Notre Dame or St. Mary's students.

To nominate people you must reply to this email with the following information:

- Name of each person, *ranked by order of preference with 1 being the person with whom you interact with the most*
- Email address of each person
- Gender of each person
- Academic class (freshman, sophomore, junior) of each person (please note if student is enrolled at St. Mary's)

If you can, please indicate if any of your three nominees interact with each other on a regular basis.

All nominations must be received by 5 p.m. on Sunday, September 8th. We will notify the invitee of their acceptance by noon on Wednesday, September 11th.

If you have any questions please do not hesitate to respond to this email with your questions.

Thanks,

David Hachen

on behalf of the NetSense Project
